

Shah, Jigisha

Cytokinetics, Inc. South San Francisco, California.

Academic Record: B.Sc. Chemistry 2006, Fergusson College, India; M.Sc. Organic Chemistry 2008, Fergusson College, India; PhD Chemistry 2016, Syracuse University, NY.

Science Outreach: Primary organizer and point-person in co-hosting the international meeting of the American Chemical Society in San Francisco in April 2017. Co-planner of 'Teach the Teachers' workshop for middle school science teachers.

Honors: Salute to Excellence Award, 2017

Professional Interests: Discovery and Development of Therapeutics, Regulatory Process

Personal Statement: Silicon Valley Section of American Chemical Society has given me visibility and credibility and has opened doors to new opportunities that would not have been possible otherwise. I am connected through our local section to a network of exceptional chemists both locally and nationally. I feel privileged to be nominated as the Secretary 2018 and to have the chance to give back and contribute to the continuing effort of ACS to advance professional development of our community.
